Ladies League Matches - Winter

Adult League Matches - Summer

Occasional Social Tournaments, Open Days, Ladies' Afternoons, etc.

Adult Club Afternoon (Proposed)

Matches may take up 2 or 4 courts depending on the format and number of home matches. Check the court bookings for what matches are actually being played at the weekend.

Home Veterans matches take up 2 courts some Wednesdays during the summer.

A court is sometimes available for booking during booked club nights if insufficient members book to play.

If nothing is scheduled, members may use the courts by booking via the website. Booked courts have priority if you just turn up without booking.
